

# Joining the Research Skills Seminar Series online via videoconference

The PMH Research Skills Seminar Series is available via videoconference through the Statewide Telehealth Service (STS). This means you can watch and listen to any of the seminars from:

- a) a hosted designated venue
- b) online via either:
  - a. a PC with the SCOPIA application installed
  - b. dialling from a videoconference system within the WA Health network
  - c. dialling from outside of the WA Health network

## Hosted Designated Venues

There are designated venues hosted by site coordinators where you are welcome to watch the seminar with your colleagues.

For details please contact the site coordinators as follows:

- Royal Perth Hospital: Melissa Jarvis and Amanda Carter - [EMHS.REG@health.wa.gov.au](mailto:EMHS.REG@health.wa.gov.au)
- Fiona Stanley Hospital: Gabrielle Howarth - [Gabrielle.howarth@health.wa.gov.au](mailto:Gabrielle.howarth@health.wa.gov.au)
- Sir Charles Gairdner Hospital: Hayley Roberts - [Hayley.Roberts@health.wa.gov.au](mailto:Hayley.Roberts@health.wa.gov.au)

## Online via PC or Videoconference System

*There are three types of connections:*

### 1. SCOPIA Desktop Clients

If you are part of the WA Health Network and have a PC, you can download and install the SCOPIA application (Desktop Client):

To install the SCOPIA Desktop Client: <http://vc-desktop.health.wa.gov.au/scopia?client>

To join the meeting: <http://vc-desktop.health.wa.gov.au/scopia?ID=6084&autojoin>

**Enter the Meeting ID of 6084 when prompted.**

## 2. Dialling from a Videoconference System within WA Health network:

**Dial Meeting ID number: 6084**

### **Dialling from outside of the WA Health network**

External H.323 (IP) Systems

Step 1 - Dial the WA Health IP Gateway: 203.0.174.160

Step 2 - When prompted for a number, enter 6084

Alternatively, your system may be configured to allow URI-dialling: [6084@203.0.174.160](tel:6084@203.0.174.160)

External H.320 (ISDN) Systems (inc. PSTN, Phone, Mobile)

Step 1 - Dial the WA Health ISDN Gateway: 61 08 62110100

Step 2 - When prompted for a number, enter 6084 followed by the hash (#) key

Alternatively, your system may be configured to use TCS4-dialling: 62110100##6084
